

A NEW ERA IN TRACKING TECHNOLOGY IS HERE!

What our Clients have to say...

"This system has been a remarkable asset as it has enabled us to reduce our gas bill by 40% and lower maintenance costs."

- Steven Laing (Managing Director)
Tara Courier Services Ltd.

"Hawktracker was a wise investment which has improved the efficiency of our fleet and the safety and security of our employees."

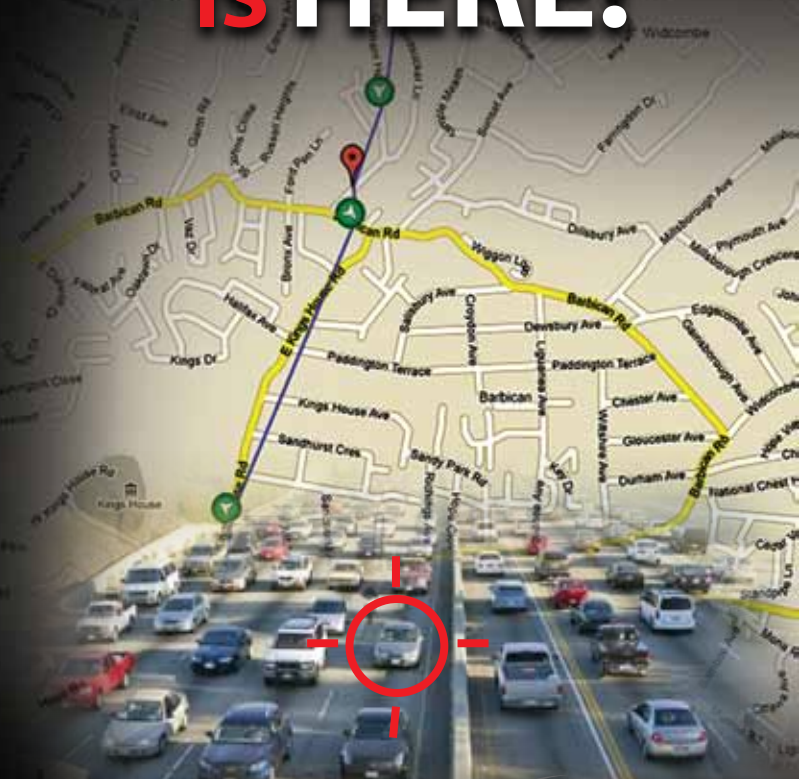

- Anthony O'Gillivie (Manager H.R. & Administration)
The Gleaner Company

"I have been using the HawkTracker System on some of our vehicles for the past six months and so far I have found it to be user friendly. I am pleased. I would recommend this Tracking service to any establishment that has a fleet of vehicles and needs this kind of service."

- Arthur Clare (Transport Manager)
Tastee Ltd.

"Since installing Hawkeye's Fleet Management system in November 2010, it has assisted us tremendously in tracking our fleet of vehicles which has directly resulted in a significant reduction in fuel consumption."

- Chad Young (Managing Director),
IRIE FM & ZIP103 FM

HAWKTRAKER

TRACK & SECURE WHAT MATTERS!

24 HOUR MONITORING

HAWKTRACKER is the ultimate vehicle security system offering not only recovery in the event your vehicle is stolen, but the **PEACE OF MIND** of a response should you be faced with a duress situation. In the event of a carjacking, the Panic Button installed in your vehicle, when activated, will silently alert our Monitoring Center of your situation and allow us to establish your location; our Operator will then notify the Police. An Armed Response Team will also be dispatched to assist in intercepting the vehicle and ensuring your safety.
